

School design, construction, maintenance & operations Construction **NEWS**

School Construction News is always looking for new products to feature in its regular products section, as well as in our annual products issue.

Suggested Length: 100 to 200 words

Photos/Graphics: Photos and other visual elements are recommended with submitted articles. Files should be submitted on disk or via e-mail in a .JPEG, .EPS or .TIFF format. All photos must be at least 300 dpi for print and 72dpi for use in electronic media. We recommend that you include both. Please specify who should receive a photo credit for the image.

Submission Guidelines: We prefer to receive documents electronically, via e-mail, in Word. If you are submitting copy on a disk, please use a CD. Be sure to include complete contact information with your submission.
